Compliance Statement

This is the POPIA Compliance Framework for SASSDA, developed and implemented in terms of paragraph 4(1)(a) of the Regulations in terms of the Protection of Personal Information Act, 2013 (POPIA).

Our Commitment

Sassda is committed to ensuring the security and protection of the personal information that we process, and to provide a compliant and consistent approach to data protection. We have always had a robust and effective data protection program in place which complies with existing law and abides by the data protection principles. However, we recognize our obligations in updating and expanding this program to meet the demands of the POPIA Act.

SASSDA is dedicated to safeguarding the personal information under our remit and in developing a data protection regime that is effective, fit for purpose and demonstrates an understanding of, and appreciation for the new POPIA Act. Our preparation and objectives for POPIA compliance include the development and implementation of new data protection roles, policies, procedures, controls, and measures to ensure maximum and ongoing compliance.
